(HIV Client-Centered/Risk Reduction Counseling)

July 23 – 25 2008

COURSE DESCRIPTION: Enhance client-centered counseling techniques with emphasis on assessing risk for HIV and STDs. With practice sessions throughout the course, support realistic, client-driven steps to reduce risks. Examine how cultural values and norms of client and counselor can affect counseling sessions. Review basic counseling strategies using a harm/risk-reduction approach.

WHO SHOULD ATTEND: Health care personnel and educators involved in education or behavior change programs, including HIV testing and counseling. Certification is required for State contractors who plan to provide HIV testing and counseling.
